## Resident Profile

### Lillian M.

Lillian M. was born on October 15, 1922, in Providence RI. Her family growing up consisted of her mother Alice and her father Henry, her 2 brothers and 1 sister. Lillian graduated from Mount Pleasant High School. Lillian was in the Women's Army Corps (WAC) in World War II. Lillian was deployed on the Queen Mary and sailed to Europe. While on board she worked as a medical technician. She also completed missions into the countryside in England. On the return trip she cared for the returning "War Brides" and their babies. Lillian received an American Service Medal, a World War II Victory Medal, and a European-African-Middle Eastern Service Medal for her devoted service.

Lillian then worked at Gorham Manufacturing, in its heyday, a leader in high quality sterling silver manufacturing. Lillian placed and fulfilled orders of sterling silver products, fine china and crystal for shipment all over the world. Lillian loves to cook and care for others. Although she never married, she dedicated her life to caring for her parents and many other family members. She enjoys spending time with her niece, nephews, and grandniece. These days you can find Lillian looking through cooking magazines, dancing to music, and keeping a watchful eye on her new friends at the Scallop Shell.
