Key Events

This month was quite a key events to look out for! On Thursday April 4th, the Top Brass Duo will be coming out to perform. Then the following Thursday on April 11th, Steve Ingraham will be coming with his big bag of magic tricks to entertain everyone. Then on the next Thursday, April 18th we'll be celebrating all our April birthdays with the help of our musical guest Michael Burrell!

Mary was born and raised in Rochester, fondly remembering roller-skating in Olympic Park with friends. Mary began working for the Rochester Public Library shortly after graduating high school, supporting the community for over 30 years through her work there. Mary worked in cataloging and acquisitions before beginning her work as a clerk. If you rented a CD, videotape, or encyclopedia from the library during her years there, chances are they passed through Mary's desk on their way to the branch locations.

Outside of her work for the library, Mary raised two children Phil and Kellie. If you ask her, Mary will tell you raising her children is what she is most proud of accomplishing in life. Mary considers her family her biggest achievement, greatly enjoying time spent with her three grandchildren Ian, Nolan, and Billy.

With her line of work, it is not surprising that Mary continues to be an avid reader to this day. Her favorite works are by Nicolas Sparks and if you're looking for a book recommendation, she would encourage you to pick up his book "The Wish." When she isn't reading, Mary's favorite activities include spending time with friends or family, watching "Yellowstone," and playing bingo.

Next time you're looking for a warm conversation, book recommendation, or even a story of a cross-country road trip; stop in to see Mary!

Mardi Masquerade

On the left is Mary G. wearing her stylish Mardi Gras Mask that she made to celebrate this year. Even that mask can't hide all her pizzaz!

Shooting for Gold

Seen to the right is Muriel having some fun shooting some targets with her nerf gun. In the back, Rich watches on.

Key Staff

Director of Therapy

Rock'em and Roll'em

Seen to the left here, Herb and Katie are settling things in the iron ring, or plastic ring in this case. It's still unknown to this day who won the match, and sources differ on the results.

Don't Eclipse Your Love

Spring has sprung, and that's no April Fool's joke! We've finally escaped another New York winter and that's definitely something to celebrate, even if it went easy on us this year. They say you don't appreciate what you have till it's gone, so make sure you take the time to bring your loved ones outside to appreciate the sun as it warms up our hearts and souls. Some important days to look forward to include the start of Passover, Earth Day, and Arbor Day, so it's a good time to remind ourselves of the importance of the natural world around us. And speaking of the world around us, don't forget that this month, we will have the Solar Eclipse on April 8th, right over Brockport. Traffic might be busy that day, so we suggest postponing your visit for that day.

There are many things you might know April for, but did you know that it's national BLT Sandwich Month and Grilled Cheese Month? No matter how long you live, there's nothing like a nice simple sandwich like a BLT or grilled cheese to keep you going. So why not bring one in for your loved one the next time you visit, as long as you check to see if it's safe for their diet first. There's just something more special about sharing a meal with someone you care about, no matter what that food is.

If you're looking for something to do when you visit your loved one, then April's got you covered. It's also known as decorating month! Whether it's decorating for the season or just making their room feel more like home, decorating is important for helping folks relax. Even just a few more photos around the room to remind them of their family or their youth can make a big difference in the mood of your loved one.

If you enjoy visiting and talking not just with your loved ones, but other residents here, then you should know it's Volunteer Month! We have just started up our volunteer program again here at Elderwood of Lakeside at Brockport, and if you or anyone you know is interested in volunteering, then have them reach out to our Activities Department. We're looking for folks who want to do room visits, assist with group activities, help transport residents, and many other possibilities. There are so many reasons why volunteering is good, and the best reason is you get to spend more time in our great community.
